

Join IcoGenex for lunch and learn about WBBA resources available to help your Company succeed!

Tuesday, April 17th | 12 noon - 1 pm
IcoGenex | 454 N 34th Street | Seattle, WA 98103

Danah Abarr from the Washington Biotechnology & Biomedical Association (WBBA) will provide information

about how the WBBA helps support and grow the life sciences industry in Washington State.

Did you know?

- The WBBA connects venture groups and strategic partners with its members
- Assists with **access to capital** (grant, venture, angel)
- Offers **unlimited pro-bono consultation** to its members
- Has over **480 Organizations** in its membership community
- Hosts over 30 events each year with opportunities to develop relationships and network with your peers
- The WBBA has **18 purchasing partners** - offering exclusive discounts to WBBA members
- Last year WBBA members spent over **\$30 million** on goods and services through the WBBA's Purchasing Program and realized over **\$5 million in savings**

We hope you will join us for lunch! Please reply to this email and let us know you will come.
